Additional Volunteers Needed!

Trip Dates: July 7-14

Great Experiences, Great Fellowship, Great Ministry!

We are looking for more volunteers to join the team that will conduct six days of ministry with two different churches in Kansas City! At this time, we need a volunteer to assist in younger children in VBS and three leaders to help conduct a Backyard Bible Club. We also need one to three additional men to go to help with the project we will be doing (mostly painting) at one of the churches. We will also be conducting a VBS kickoff event, a celebration event and some door-to-door activity near one of the churches. If you are interested in going please pick up a brochure at the south foyer bulletin board - but do it quickly! You are needed to go on this trip. The cost for this year's trip is \$275 and a deposit of \$125 or more is needed to save your spot for the trip.

Also, if you have not given toward this trip, we do have a slight short fall in our trip budget. If you are led, use any envelope and mark it "Kansas City". Most of all, pray that God will provide the necessary people for us to go!

Vacation Bible  
School

June 4-8, 9 a.m. to 12 noon  
...for four year olds through  
middle school!

Invite your friends and  
neighbors now or share the  
post on our Facebook page!

I was so impressed with our children's choir. They did a great job. Any time you can get preschoolers to stand and sit for over thirty minutes and do all the songs and motions, you have done great. The teachers and directors deserve a thank you for all their work. I also loved the message that came out of this musical.

Let me remind you that VBS is right around the corner. It starts on June 4, which is less than two weeks away. Let me encourage you to begin praying for our teachers and those kids who will attend. Look around your neighborhood and see who you can

invite to come. This is one of our greatest outreaches to our community. Did you realize that the 15 hours of teaching in VBS is equal to about 15 weeks of Sunday School? Many will come to VBS that will never come to Sunday School. So look for kids to invite.

Also, let me remind you that Sunday June 3 we will have a prayer walk to pray over our community about VBS. You can pick up a few streets at the Welcome Center and just walk and pray for every house that they will see the flyers we have put on each door, and that if they have children

they will bring them. We need your help. It will also be great exercise.

Our annual Gospel Sing will be this Sunday night at 6:00 p.m. This will be a great time of singing and listening to our adults. Come and join us.

Summer is here again, and with it so many changes coming our way. High school students going off to college, college students looking for jobs, and the ever so famous time when our military friends and family begin their new journey in another town, state, and sometimes country.

Our department alone has six families moving all within a couple of weeks from each other. So how do all of us make the most of this time? Probably the most important thing to remember is our time here on earth is ultimately short. If you are a college student or soon to be, pick a college not based on your favorite football team, but on where you can make the biggest impact for the gospel. If you're picking where to work - your career, have the same mentality. Or our military friends that we've grown so close to, see your next city as your mission ground. For all of us, live in an Acts 17:26-27 kind of way knowing that God, before the foundation of the world, already determined where you would live and for how long, and He has a sovereign plan over it all that we get to be a part of for the sake of making the gospel known!

**Random Thoughts Related to Connection Hour...**

**Connection Hour Leadership Meeting:** You didn't miss it - it should have been delivered to your computer or electronic device through an email! It is a 15-minute recording with information and encouragement. If you have not watched it - do it today!

**Summer Time A Great Time for Outreach:** If you did watch the meeting, I hope you will take time to lead your group (or group of teachers) to do some outreach over the summer months. Of course VBS follow up offers a great opportunity, but the challenge is to do it at least one other time on your own!

**Attention Adult Connection Group Leaders:** It is time to think about who could be sent out of your class to teach, reach and minister to preschoolers, children and youth! Pass any names along to me and begin to pray for the enlistment of leadership for the new year!

**Vacation Bible School Follow Up**

**Sunday, June 10, 6 p.m.**

Lots of kids attend our VBS annually that do not attend a Sunday School anywhere. When those kids and their families enter our doors, our church is responsible for them!

Would you set aside just a couple of hours on June 10 to join with VBS leaders and Connection Hour leaders in following up on families? We will have a time of instruction, make visits and then return to the church for refreshments and reports! Put this date on your calendar!

**Music**

**GOSPEL SING**

**May 27, 6:00 p.m.**

Don't miss this fun and inspiring evening of Gospel music! In addition to the Adult Choir leading us in praise, we will have a number of soloists and ensembles sharing the Gospel in song. Join us!
